1. Information We Collect

We collect information you provide directly, including account details, enrollment data, and support communications.

2. How We Use Data

Data is used to provide services, process enrollments and payments, deliver support, and verify certifications.

3. Data Security

We use industry-standard safeguards and secure third-party processors. Sensitive payment details are not stored in raw form on our servers.

4. Third-Party Sharing

We do not sell personal data. We share only with essential service providers and where disclosure is legally required.

5. User Rights

Users may request access, correction, or deletion of personal information in accordance with applicable law.
